Litigation in Bermuda

On 3 April 2011, A & B (the "Company") filed a lawsuit against C (the "Defendant") in the Bermuda courts. The lawsuit alleges that the Defendant has breached the terms of a contract entered into between the Company and the Defendant on 1 January 2010. The Company seeks damages of \$1,000,000. The Defendant has filed a motion to dismiss the lawsuit, arguing that the Company has failed to establish that the Defendant breached the contract. The court has scheduled a hearing on the motion for 15 May 2015.

This case is a classic example of a breach of contract. The Defendant has failed to perform its obligations under the contract, and the Company has suffered a loss as a result. The court will likely find in favor of the Company, and the Defendant will be required to pay damages. The Defendant's motion to dismiss is likely to be denied, and the lawsuit will proceed to trial.
